International Summer School "Focus on Russia: Russian Language, Politics & Art"

July 30 – August 26, 2018

PROGRAM DESCRIPTION. This module is a perfect possibility for those who would like to start the new academic year having received an impressive kit of credits and international experience. The module focuses on improving your **competences in linguistics and Russian Studies**.

St. Petersburg, the so-called **"Cultural Capital of Russia"**, with its rich history and art, is a city included on the UNESCO world heritage list. A city of the magic White Nights, open bridges, elegant architecture and picturesque suburbs. **A city you will fall in love with** once you visit it.

You will simultaneously discover Russia in three dimensions:

- obtain/improve your Russian language skills and break the communication barrier;
- learn about the main facts and figures in Politics of Modern Russia;
- study historical trends in the Russian Art not only in classroom: during the field trips to the largest museums of St. Petersburg you will see the greatest masterpieces with your own eyes.
