

# SPBPU INTERNATIONAL SUMMER SCHOOL OF RUSSIAN STUDIES

Russia is a country that **can hardly leave anyone indifferent**. With its rich history, culture and language, it is a place where you will always discover something impressive and inspiring. Known as one of the **world's art treasures** listed by UNESCO, the magnificent city of **St.Petersburg** combines Russian heritage with a European style and outlook. It is an **open-air classroom** providing lots of opportunities even for the most demanding students.

SPbPU International Summer School of Russian Studies offers a number of **modules throughout all summer** with a range of elective courses and a variety of cultural activities included in each module. SPbPU is proud to have one of the **oldest and largest schools of teaching Russian** as a foreign language in St.Petersburg. Our outstanding professors will help you considerably improve your key communication skills and **feel confident about using Russian language** in life.
